

NBP Exchange Company Limited Opened its 14th Branch

March 02, 2013 Diplomatic News Agency

LAHORE (DNA) -: National Bank Exchange Company is providing country wide swift money transfer services to the families of Pakistanis living abroad. The number of branches may cross the 16 figure this year. This was stated by Chairman National Exchange Company Senior Executive Vice President Khalid Bin Shaheen while inaugurating the company's new branch here at Cavalry Ground Lahore. He further disclosed that two more branches are being opened in District Rahimyar Khan and Bahawalpur in near future as our customers have concrete confidence over Exchange Company for being the subsidiary of National Bank of Pakistan; this is why our foreign currency exchange is increasing day by day and it almost doubled the figure of business in last three years. While talking to newsmen he announced that our market share have exceeds up to 12% due to dynamic services of professional and vigilant staffer. He appraised the Pakistan's living abroad and declared them an asset for the nation.
