PRESS RELEASE

**NBP CONTINUES FLOOD RELIEF OPERATION
MEDICAL CAMP, FOOD PACKETS AND TENTS PROVIDED**

Karachi: September 10, 2011: National Bank of Pakistan in collaboration with People's Doctor's Forum has organized flood relief and medical camp in DC School, Nawabshah. Last week NBP distributed flour bags and other food essentials among the flood affectees of this area. However due to nonstop devastation caused by the current calamity, another consignment of 500 food packets have been handed over to local administration for onward distribution among flood affectees. The food packet contains following ten essential items: Flour – 10 Kg, Rice – 5Kg, Pulses- 5Kg, Sugar – 1Kg, Milk Powder – 1Kg, Cooking Oil – 1Kg, Tea – ¼ Kg, Water Purification Tablets – 10 Qty, Soap – 3Qty, Short cakes – 2KG. Another consignment of 1500 food packet will arrive shortly and will be handed over to local administration for onward distribution among flood affectees.

NBP is also at the forefront in providing health related facilities to the flood affectees. Medical camps have been established for 15 days which are treating 500 to 600 patients. For outreach public announcements have been made in these areas so that maximum number of people could benefit from this medical facility.

Furthermore, NBP President has ordered 300 tents which have been handed over to local administration for onward distribution among affectees of the area.

The services of Haji Anwar Baloch (Manager, Main Branch Nawabshah) and other NBP staff in flood relief operation are exceptionally commendable. Besides them doctors from People's Doctor Forum has played an exceptionally compassionate role in conducting medical relief camp for flood affectees.
