

President NBP Mr. Saeed Ahmad has announced 10 Qingqi rickshaws which will provide free transport to the students of Mohmand Agency to promote education.

President and CEO National Bank of Pakistan, Mr. Saeed Ahmad inaugurated National Bank of Pakistan's (NBP) Aitemaad Islamic banking branch in Ghalanai, Mohmand Agency. With this move, the bank aims to provide loans to the community based on Islamic modes of financing to strengthen the financial stability in the violence affected region. This is the first time ever that this area has been visited by a president of any bank.

"Due to die-hard efforts of the law enforcers, political leaders and tribal chiefs, peace has finally returned to Mohmand Agency. NBP has opened Aitemaad Islamic banking branch in the area as a gift to the society. We will be approving loans to traders and locals based on Islamic mode of financing which will aid the financial stability in the region. We are looking forward to facilitate local unemployed educated youth and government workers, through Hamsafar Auto-Finance Program" said Mr. Saeed Ahmad while expressing his thoughts on the occasion.

Furthermore, the bank aims to offer loans for the purchase of modern machinery for efficient extraction of marble from the hillside, based on Islamic modes of financing. Aitemaad Islamic banking plans to sanction similar loans to the educated unemployed citizens through Prime Minister Youth Business Loan Program, enabling them to contribute in the financial stability of Mohmand Agency.

NBP strives to support the populace and areas which have been massively destroyed by terrorist activities in the past. NBP believes education plays a vital role for economic development of an area. For this purpose, CEO and President NBP also announced 10 Qingqi rickshaws which will provide free transport to the students of effected area in a bid to promote education.

Traffic rules Awareness walk in Karachi held

Traffic Rules Awareness Walk

National Bank of Pakistan (NBP) being a responsible corporate citizen of Pakistan has been focusing upon its Corporate Social Responsibility (CSR) activities. It is essential to play our role as a catalyst for making sure that our society knows its responsibilities for a smooth and peaceful civic life. For the same reason we have supporting various NGOs, educational institutions, health organizations etc. in their endeavors for a better society. Continuing with that, we are in process of outreaching those potential organizations who have vibrant and active set-ups to channelize various causes in society.

With the same passion a traffic rules awareness walk was organized in Karachi on Sunday 14th January 2018. It was held under the auspices of the National Bank of Pakistan (NBP) ad Traffic Police. The walk commenced from Mcdonald at Seaview and ended at NBP Sports Complex near the shrine of Abdullah Shah Ghazi. President of NBP Saeed Ahmed and DIG Traffic Imran Yaqoob Minhas, members of civil society and non-government organizations (NGOs) participated. The participants were of the view that such events would help foster awareness regarding the traffic rules in the society.

NBP ADOPTS 05 OUTPATIENTS CLINICS AT NATIONAL EPILEPSY CENTRE.

Epilepsy is a chronic disorder and speedily growing disease in Pakistan. It is mainly related with high stress related jobs and people due to lack of awareness become victimized of this disease. This disorder is found in both rural and urban areas but unfortunately its remedy is scarcely available in hospitals. Understanding the plight of poor patients, National bank of Pakistan has recently adopted 05 outpatient Clinics at National Epilepsy center located in Karachi within the boundaries of Jinnah Post Graduate Medical Centre where free of cost treatment is provided to Epilepsy Patients.

The EVP/ Head (CSR) Mr Mohsin Furquan visited the center on behalf of Mr Saeed Ahmed, President National Bank of Pakistan and presented the payment order of donation to the Administrator/ Chairman of the center.

On the occasion Mr Mohsin Furquan emphasized the President Mr Saeed Ahmed's vision for better health care services for under privileged citizens of the country and commitment to serve the society with more such noble collaborations to follow in future.
