“Quote”

“The lower bidder was Z.A..Construction with Tender Amount of Rs.50,787,380/- after 5% discount.

The rates quoted by the Z.A. Construction were imaginative and some of the rates not touched with reality. The Z.A. construction company have cheated in the tender documents and mentioned the rates un-justified, so such type of construction company may be black listed and tender for the above said project may be re-call.”
