PRESS RELEASE

NBP Making All Out Efforts to Facilitate Pakistan Railways Pensioners

Karachi October 26, 2011: National Bank of Pakistan is making all out efforts to facilitate Pakistan Railways pensioners at all its pension disbursing branches. All the staff in the branches from where pension distribution is managed will work till late hours to facilitate all the pensioners present at these branches. In addition to this number of pension distribution counters at all these branches have also been increased to speed up the process.

NBP has also made arrangements to provide shade and water for those who are waiting outside the branches. We may add that NBP disburses pension of all government organizations / departments as per their mandate and funds being available in their respective accounts with the bank.
