## **PRESS RELEASE**

### **NBP Medical Relief Camp Treats 1200 Patients in DG Khan**

May 23, 2011: NBP organized Medical Relief Camp for flood affected people at Government Zain Public High School Qasba Pir Adil, D.G Khan. Specialists and consultant doctors of Gyne, Neuro, Child Specialist, Ear Nose & Throat and a General Physician were present to attend the patients. The flood affectees were given free consultation by the specialists along with free treatment and medicines. During the camp, more than 1200 patients were treated in a short span of eight hours. This particular qasba got severely affected during 2010 floods as it is located along Indus river.

In the recent past NBP has taken many initiatives to provide medical facilities to far flung areas of the country. Some of the areas which have been covered by organizing medical and eye camps include Charseda, Nowshera, Pabbi, Ibrahim Hyderi, Mithara Bangla, Bhawalpur, Ada Kamal, Dewan Shab Villages, District Burewal, Gaddani. In future NBP is planning to organize more such camps which will prove extremely beneficial for the people living in remote areas of the country.

Yours Sincerely,
