11. Any other additional / supporting information, the procuring agency may like to share.
   ➢ Annexure II- Evaluation Criteria
EVALUATION CRITERIA
PROCUREMENT OF SAP SELF SERVICE MODULES
TENDER ID: NBP/LSG/ITD/01072016

The bids/proposals with all complete documents will be evaluated as under:

1. All bidders are required to submit filled, correct and complete Section – IV, V & VI – Technical Requirement Document (all sheets separately) along with their bids. If the bidder fails to do so, its bid will be considered as rejected. All bidders are also requested to affix their company’s stamp/signature on each page of the submitted Section- IV, V & VI– Technical Requirement Document.

2. All bidders are required to propose a single solution to NBP as any alternate or additional solution will not be considered for evaluation and such bid will be considered as rejected.

3. If any bidder mentions propose solution financial details (i.e. price, cost, bid security amount etc.) in its TECHNICAL PROPOSAL or response to any NBP clarification query during technical evaluation, its bid will be considered as rejected.

4. Technical Requirements and Technical Compliance mentioned in Sections: IV & VI Technical Requirement Document with “Priority (High/Low)” is evaluated as follows:

   b. All technical requirements with “High Priority” must be answered as ‘Y’ or ‘Yes’. If the Bidder responses ‘N’ or ‘No’ against any of such “High Priority” requirement, its bid will be considered as technically disqualified and will be rejected.

   c. All technical requirements with “Low Priority” can be answered as ‘Y’ or ‘Yes’, ‘N’ or ‘No’ as these requirements will not be considered for evaluation. If bidder responds with ‘N’ or ‘No’ against any of the “Low Priority” requirement, its bid will not be considered as rejected.

   d. For all “High Priority” technical requirements against which Bidder is responding “Y”, the Bidder should specify the proper reference of the proposal in the reference / substantiation column. NBP may request for any other additional documentary evidence against any requirement that must be provided by the Bidder during the period of evaluation. Bidders should respond to such requests within the time frame indicated in the letter/fax/ e-mail seeking the explanation. In the event of a Bidder failing to provide the reference or any information sought/document requested by NBP, its bid will be considered as technically disqualified and will be rejected.

   e. For all requirements against which Bidder is not providing any response (i.e. an empty availability cell or an availability cell with a response other than “Y”/Yes’ or ‘N’/No’), NBP will first check that against such requirements proper reference documents have been provided or not in the submitted bid. If reference document is found then NBP may ask clarification from the bidder about its response, however if reference document is not found then response of bidder shall be considered as ‘No’ and its bid will be deemed as rejected.
f. The Bidders are required to include the price of all requirements with “High Priority” where the response is ‘Y’ in its Financial Proposal as the price mentioned in Financial Proposal will be considered as final and cannot be changed in any circumstances after the submission of bid.

g. “Low Priority” requirements that shall be responded “Y” by Bidder shall be treated as complimentary inclusive of the functionality in the proposed price.

5. The prices will be evaluated on the basis of all items mentioned in Section- IV, V – Technical Requirement and Section VII- Financial Proposal (BOQ) of the RFP documents which will be considered as total bid value / bid amount / contract price.

6. Bid from the technically qualified Bidder and having lowest evaluated price/cost will be considered as lowest evaluated Bid and accepted by NBP for contract award.

7. As per requirement of IFB 24 mentioned in Section Ib– Standard Bidding Document of RFP, NBP may conduct a post-qualification evaluation exercise for the bidder which is selected as having submitted the lowest evaluated bid. A negative evaluation will result in rejection of the bidder’s bid, in which event NBP shall proceed to the next lowest evaluated bidder to make a similar evaluation.
